

The Big Red Fund

www.BigRedFund.com

The Big Red Fund was established by Parents, Community Members, Alumni, Teachers and Coaches to support the long term betterment of Field School's Athletic facilities

Setting the Falcons "Back on Track"

The Big Red Fund has chosen the Field High School Track as our first project. As many of you know the Track has been in desperate need of renovations for many years. For 8 years we have not had a "home" track meet at Field. We are hoping to change that. In the past year the Big Red Fund has successfully raised almost \$100,000.00 for the track renovation - we are almost to our goal. Please take a minute and familiarize your self with our group and see how you can help us get the Field Falcons Back on Track.

The "Thrive & Drive" Campaign with The VanDevere Bunch.

With a generous donation of a 2011 Kia Soul from VanDevere we are raising funds by selling raffle tickets to "WIN THIS CAR!!" Tickets are \$10.00 each and purchasing information can be found on our website at www.BigRedFund.com. The drawing will be held Friday November 18th, 2011 and winner need not be present to win.

The 2nd Annual Big Red Fund Dinner Event.

The Big Red Fund hosts a Dinner Event on Friday November 18, 2011. Tables are purchased for \$350.00 each and seat eight (8). A trophy is awarded to the "Team Table" with the best theme and decorations. The evenings festivities include a Silent Auction, Live Auction, Basket Raffles, Dessert Auction and more. The drawing for the "Thrive & Drive" 2011 Kia Soul will take place at the Dinner. Table purchase includes Dinner & Bar.

These are the two current fundraising project of the Big Red Fund. If you would like to help us sell tickets or purchase a table for our dinner event please visit our website for information on how you can do that.

Together we can get the Field Falcons "Back on Track" !!
