Dennis J. Butler

Memorial Fund

Dennis J. Butler

Dennis John Butler was a loving and devoted husband, father, son, brother, and friend who lost his battle with cancer in March of 2010. Dennis was always ready to reach a hand out to those in need; he loved life and the people in it. Dennis touched the hearts and lives of the many whose paths he crossed with his fun-loving personality, generosity, honesty and humor.

The greatest joy in Dennis' life was his family. He was an avid outdoorsman, Dennis spent his off-time hunting, fishing and riding his Harley. Dennis was a member of the Izaak Walton League, Kent Chapter, where he enjoyed teaching children the joys of the outdoors.

Many knew Dennis as owner of Cutters Turf Maintenance, a successful landscaping business he started in 2004. A determined and hardworking entrepreneur, he built a reputation delivering the highest quality of service, dependability and professionalism. His business was a source of great pride for him.

Dennis attended Field Local Schools since kindergarten and graduated from Field High School in 1986. Dennis was employed by Sears as a technician supervisor for 18 years before starting Cutters Turf Maintenance.

About Our Cause

Dennis Butler desired to show continued support of his dedication and enthusiasm for youth sports and outdoor programs in the Brimfield and Suffield Communities. Following his death, this memorial fund was established by his family to recognize his belief in community ties as well as to honor Dennis' legacy of a strong-loving family, loyal friendships that conquer all, and the passion to love life for the number of days you are blessed.

If your organization, club, or sport has knowledge of any person that you feel could use assistance, feel free to contact Rhonda Butler at thebutler5@gmail.com

The group TEAM BUTLER originated during the summer of 2009 when Dennis and his family learned of his diagnosis. Dennis knew that he wanted to spend much of his time with family and friends and began gatherings at his home each Sunday. These days were full of love, support, reminiscing, and the making of great memories for all to hold onto for the future.

Thanks to a great friend, Jodi Sollers the loyal group of family and friends was given a name, TEAM BUTLER. Many days since the cherished Sunday TEAM BUTLER parties have been established as TEAM BUTLER Days to show support of Dennis' family and friends who miss his smile, his fun-loving friendship, and his passion for life.
