

## 2011-2012 School Year

### How to stay informed.....

We have a website at [www.falconcommunity.com](http://www.falconcommunity.com) under school connection where you can request to be added to our distribution list. Also links can be found at [www.fieldlocalschool.org](http://www.fieldlocalschool.org) or ask to join our group on Facebook under Brimfield PTA.

# Brimfield PTA

When you join your local PTA, you're joining PTA—a National Association and America's number one parent involvement resource. Your child is why you should belong. More than 30 years' worth of research has proven that children do better when their parents are involved both at home and at school. Grades and test scores climb. Self-esteem grows. Schools improve. There's a simple way for you to help your child succeed: Join PTA. You'll belong to a community of parents committed to their children's well-being and to improving school performance." ## What does the PTA do?

The Brimfield PTA would like to welcome you to our school! We look forward to working with you and your child to have a successful school year. The relationship between home and school is vital for all of us. We would like to invite you to become part of our team. Throughout the school year we provide many things to all of our students. This year we plan to get additional technology, bring field trip experiences to the school and provide many supplies that will help our students grow. We also sponsor field day, classroom celebrations, and work with our staff to overall provide the best experience

to our students. It takes a village to raise a child and our organization counts on you to make us successful.

Any amount of time that you give back is appreciated and needed. We all have busy lives and we ask that you consider participating in something during the year. Thank you and we look forward to making our school a great place together!
