

Suffield Elementary PTA Presents...

AMAZING ROAD RACE

Wingfoot Lake State Park - Suffield OH

Saturday October 1, 2011 5 - 9pm

Give it a Try—there's something for everyone!

This is a brand new family-fun activity for Suffield Elementary School! It's a combination of mild or wild challenges, a scavenger hunt, and a road race! Begin at Wingfoot Lake State Park and drive to the different locations based on the clues given to you. Some challenges are pretty easy like counting the number of sides on the Peace Pole at Suffield Elementary. Some challenges involve taking a picture of your group at specific location, say at Dussel Farms. Lastly, some require fun group activities like Frisbee Golf! Don't forget, though, there's a list of scavenger hunt items, too!

Wild, Mild or Spectator— you decide how crazy you want to get!

Spectators can watch the event, join us for food, buy 50/50 and raffle tickets, watch the awards program & enjoy the music for a reduced price! For those more active, there will be both a "Mild" and a "Wild" course—so you decide how crazy it gets! For instance, the "Wild" clue may read "Play a Round of Golf... oh yeah, you have to stand backwards and swing the club between your legs to get the ball into the cup! While you're here, find a red tee and put it in your bag for 3 points." The "Mild" version may allow two team members to hit the ball with a normal golf swing!

Teams—make your own or let us help!

Each team may contain up to four adults or two adults with any number of kids. Can't find a full team? No problem! We will match you up with a team if you need us to! Or, come as a spectator and cheer on the teams!
