## www.FalconCommunity.com

To Field Community Families & Businesses,

The Falcon Community Association is soliciting local businesses to purchase advertising space on our new Community based web site. This web site features news and information from both the Suffield and Brimfield Communities as well as the Field Local School District. By encompassing so much of the Community it is certain that your advertisement will be seen by many. We are offering a few different advertising options and pricing so please take a moment and figure out what would work best for you. We hope to create a working relationship with your Business that can be mutually beneficial to both of us.

The Falcon Community Association.
